Chapter 1 by Nini Reyes

Date: unknown Time: unknown

It's been 12 years since my mom and dad passed. I do have a sister, but she was younger than me, and I was too young to take care of the both of us.

All the stress of living on the streets for 2 years, drove me insane. The cops and an ambulance took me to an asylum, where I was taken for my life. My doctor raped me, sexually harassed me, and once overdosed me. Luckily they brought him into custody, and brought me to the closest hospital.

This all happened 30 years ago in 1923, it is now 1953. I am now a 23 year old grown man on my own in my bed, in the asylum.
